ENSHPO NEWSLETTER

Latest and Trusted News

WELCOME FROM THE ENSHPO PRESIDENT

It is a pleasure for me to present to you the second issue of our newsletter, a communication that we want to serve as a window to the world of health and safety, of all the activities that ENSHPO is carrying out.

We would like to thank all the institutions and organisations that have considered ENSHPO to be an active part of their events, especially the ISSA and the preventive sections, and the EU-OSHA.

I would like to remind you that on the 15th of December we will have our last webinar of 2022, where the latest results of the EUOSHA Healthy Workplace Campaign on MSD's and other complementary actions will be presented.

Thank you for being there, thank you for supporting us, and please spread this newsletter to your networks and colleagues, so that we can reach more professionals.

Warmest regards,

Mireya Rifá
ENSHPO President

AN OPPORTUNITY NOT TO BE MISSED

- Is your organisation a benchmark in Health and Safety?
- Do you want to be recognised internationally for your work and best practices?
- Would you like to support research, projects and actions that enhance health and safety?

If so, then ENSHPO is for you.

We want organisations to support us - to share resources and best practice and to help us strengthen the voice of safety and health leaders in Europe - and we have lots of ways you can be involved.

Do you want to know more?

Feel free to visit our website : www.enshpo.eu or contact us at : secretary@enshpo.eu

We are counting on you and want to welcome you to the big family of safety and health organisations that is ENSHPO.

EU-OSHA Lighten the Load - Healthy Workplaces

ENSHPO President, Mireya Rifa with William Cockburn (Interim Executive Director, EU-OSHA) at the EU-OSHA Summit 2022.

October 2022 saw the close of the EU-OSHA Healthy Workplaces campaign 2020-2022 - Lighten the Load. ENSHPO have been supporter of the EU-OSHA campaign series for many years and were delighted once again to join with Campaign Partners from across Europe to raise awareness to a key EHS theme - Musculoskeletal diseases.

ENSHPO were present in Bilbao for the finale and sends congratulations to all who participated.

To read about the campaign and the activities of campaign partners like ENSHPO in support of the initiative, visit :

Safety Health Wellbeing

CATCH UP ON THE ENSHPO WEBINARS

We are delighted to be able to offer an opportunity to watch all of the ENSHPO webinars we have featured throughout 2022 on demand

All Webinars are available on the ENSHPO website, including:

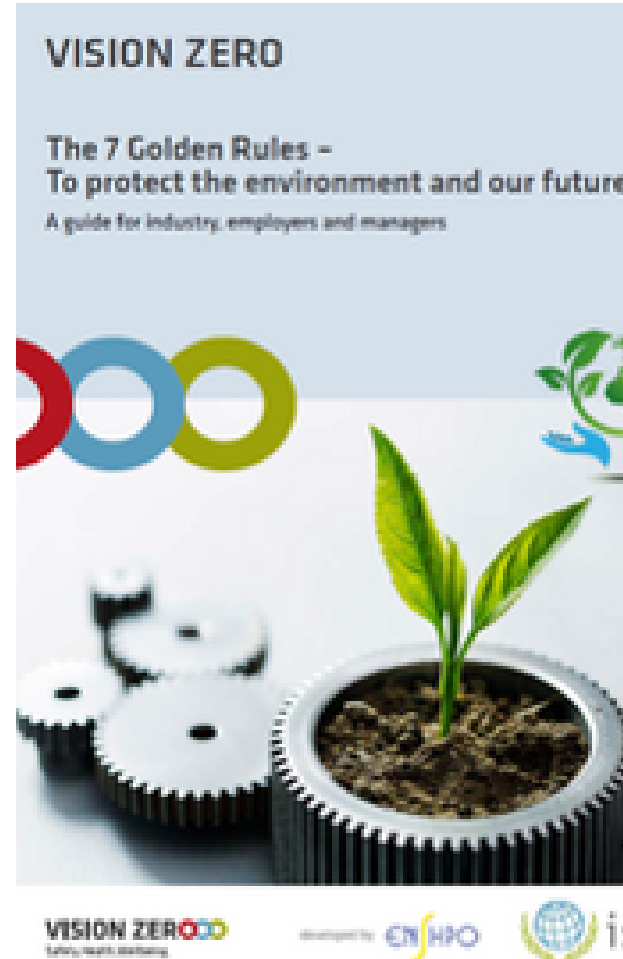

- The importance of Risk Assessments : A European Perspective
- Psychosocial Risks of Smarter Working
- How to incorporate Sustainability into EHS management
- Vision Zero : A Transformative approach to prevention

Thank you to all speakers and attendees who have helped to make this year long series a success. Register for our next webinar on The Importance of MSD Awareness on the 15th December 14:00 - 15:00 (CET) [here](#).

Vision Zero Environmental Guide Working Party

In October 2022, our President attended the World Social Security forum to formally introduce the guide to the ISSA Prevention community. The guide explores how Vision Zero can be applied by companies in the environmental sector, by creating a systematic approach, based on the 7 Golden Rules, to contribute to a better environmental protection. The purpose of this guide is to serve as a reference on environmental management for those responsible for the implementation of Vision Zero. The guide will be made available on the ENSHPO website in due course.

VISION ZERO ENVIRONMENTAL GUIDE

ENSHPO are proud to present the Vision Zero Environmental Guide, co-created alongside the International Social Security Association (ISSA) and collaboration partners.

DON'T MISS

Don't miss issue number 19 of the aiasmag, the bimonthly publication from ENSHPO member AIAS. Available now on website aiasmag.it, featuring an interview with ENSHPO President Mireya Rifà Fabregat. AIAS is the Italian Association for the Environment and Safety.

INSHPO meeting - October 2022

On the 3rd and 4th October, ENSHPO member AEPSAL, with our support, hosted the INSHPO Annual Meeting in Barcelona. Following two productive days of meetings and good practice sharing, on the 5th of October attendees came together to celebrate an International forum with the participation of ILO and EU-OSHA. Participants heard about the present and future of Health and Safety, what differentiates us from one country to another and what aspects are common to EHS professionals at a global level. An event born out of true collaboration, representatives from the INSHPO Professional Associations throughout the 5 continents brought together an opportunity to share knowledge of what our profession is like at a global level, all the while never losing sight of national character - a valuable occasion arranged by Health and Safety professionals, for Health and Safety professionals.

AEPSAL and INSHPO members in Barcelona, October 2022

After the success of their October event, ENSHPO member DVILJ are organizing its 134th conference for its members on the 15th December 2022.

This event is intended specifically for Safety coordinators on construction sites to supplement their knowledge on topics such as Scaffolding, judicial practice on safety at construction sites, modern technologies for safety supervision at construction sites.

For more details, visit <https://www.dvilj.si/dvi3/> DVILJ is the Society of Safety Engineers Ljubljana.
